**Deputy Assistant for Research and Development  
on Tourism Policy  
Ministry of Tourism**

## FOREWORD

The Statistical Report on Visitor Arrivals to Indonesia 2017 is published annually by Ministry of Tourism of The Republic of Indonesia in cooperation with BPS – Statistics Indonesia and Directorate General of Immigration.

This Report is meant to illustrate recent tourism development in Indonesia especially the development of international visitor arrivals to Indonesia classified travel pattern and expenditure pattern. This publication is also supplemented by accommodation data in Indonesia.

The Ministry of Tourism of The Republic of Indonesia and BPS – Statistics Indonesia which are in charge of collecting and processing data, would like to express appreciation and gratitude to all institutions, who have assisted and cooperated in compiling this report.

Finally, we expect that the report would be useful as a reference document for tourism industry and institutions.

Jakarta, December 2017
